Bonneville Power Administration 1
  Capacity, present and anticipated 30
  Construction 1, 17, 21
    Major projects 27
  Estimate, 1957, development of 15
  General statement of Administrator 12
  Operation and maintenance 3, 32
  Power sold 17
  Rate schedule 18
  Repayment schedule 31

S

Southeastern Power Administration 38
  Energy, purchase of 51
  Georgia Power Co. contract 51, 59, 63
  Integration of system 54
  Operation and maintenance 38
  Revenues 55
  System statistics 56
  TVA, power rates to 62
  Wheeling fees 51, 55
Southwestern Power Administration 64
  Additional customers 103, 117
  Additional dams, need for 107
  Amortization period, effect of reducing 78
  Appropriations, obligations, and carryovers 75
  Appropriations to date 135
  Arkansas-Aluminum Co. contract 106
  Construction 74
  Cost allocation 77, 132
  Continuing fund 101
    Increase for 134
    Use of 101, 152
  Customers, list of 156
  G. and T. cooperatives:
    Contracts:
      Amendments 98
      Arkansas Electric Co-op contract 111, 142
      Opposition to 119
      Option to purchase clause 109, 140
      Reinstatement of 108
    Current condition of 131
    History of 136
    Northeast Cooperative problem 103
    Northwestern Co-op System, delivery of power on 102, 118
  Greers Ferry and Beaver Dam 153
  Industrialization in area 95
  New rate schedules 112, 121, 123
  Oklahoma Gas & Electric contract 150
  Operating statement 152
  Operation and maintenance 64, 72, 75
  Power:
    Peaking power distribution 122
    Public and private production and distribution 97, 100, 127
    Purchase and sale of 79
    Purchase and wheeling, reduction in funds for 101
